

GOLFSTARZ GOLF HOLIDAY CLINIC

We are offering your child the opportunity to partake in our School Holiday Golf Clinic. We will start by working on the short game (putting, chipping) and then moving onto the Driving Range to warm up the full swing. After a short break the boys and girls can test their skills on the par 3 Mashie Course. Our golf teacher's will be advising the children on their techniques and what needs to be known while playing on the golf course, e.g. shot selection, etiquette and some basic rules.

The kids now have the opportunity to take what they have learnt at the school program and take it onto the golf course. We look forward to seeing your child in the upcoming Holiday Golf Clinic.

WHEN: 11th, 12th and 13th of December, 2013
